

Type:

RCA

Application:

Audio & Video, Power cord, audio, video cable, audio terminals

Gender:

Male

Product Name:

rca connector

Insulation:

pvc

Conductor:

Galvanized copper

Superiority:

Manufacturers & reasonable price

Color:

Red, yellow, white.black

Male Pin Diameter:

3.70 mm

Case diameter:

8.25 mm

Input Voltage:

12V - 36V

rca male connector audio connector

1. Plating: Nickel/gold

2. Material: Copper

3. CE

4. Packing: according to the clients' requirement

RCA terminal male head pin diameter is 3.70 mm, its around the shell of a diameter of 8.25 mm.
